Learning with good prospects

Back to the now!

Arrive, and work creatively within a castle's atmosphere.

Dear organizer

Thank you for your interest in organizing a seminar or meeting at Schadau Castle, within the refreshing setting of Schadau Park, lake Thun and the backdrop of Eiger, Mönch and Jungfrau.

The Schadau Castle was built as private summer residence of the family Rougemont from 1846 to 1854. Its architectural mix is unique, and the castle is a listed building.

The big dining room, nowadays referred to as Rougemont Room, is the perfect place for effective meetings and conferences. For smaller meetings, four further rooms are at your disposal on the upper floor, all of them with amazing lake views. Stroll along the shores of lake Thun in our beautiful garden in order to refresh your mind for the next meetings' session. Or enjoy a high-quality coffee break or a light business lunch in our restaurant locations, on the veranda or directly in the garden restaurant.

Unwind in our seasonal castle restaurant whilst absorbing stunning lake and mountain views, and rest in one of our nine charming and quiet hotel rooms and suites. Within Schadau castle's setting, a working day becomes a holiday!

Despite the historic setting, you're being supported with most modern conference technology and free Wi-Fi in the entire castle.

The Schadau park, Thun city or the Bernese Oberland offer great possibilities for team building events and exciting timeouts.

Enjoy our expertise when organizing your event - we will give everything for a successful time with your team.

 & the Schadau team
