**Celebrate on the shores of lake Thun**

**Back to the now!**

Rushing parties or small celebrations -  
enjoy life, enjoy the moment.

Dear guest

Thank you for your interest in celebrating your event at the Schadau Castle.  
Located at Lake Thun, the Schadau Castle is a heritage building embedded in the Schadau Park,  
with imposing views of the Eiger, Mönch and Jungfrau.  
It would be a pleasure for us to assist you in planning your celebration.

The Schadau Castle was built as private summer residence of the family Rougemont from 1846 to  
1854. Its architectural mix is unique, and the castle is a listed building.

The big dining room, nowadays referred to as Rougemont Room, is the perfect place for your  
celebration with up to 70 guests.

For smaller celebrations with up to 14 guests, the two saloons on the first floor are ideal:  
balcony and magnificent lake view included.

For up to 120 guests, celebrations can be organized as flying dinners in an unconventional and  
contemporary way, spread on two floors. Feel at home in your private castle rooms.

Aperitif and framework program are possible on the castle's meadow.  
Moreover, a shipping pier is located directly besides the castle.

Whatever may be the reason for your celebration, we will give everything for your celebration and  
your guests.

& the Schadau Castle's team
